

C. F. Haas - Bio

Charles F. Haas
Risk Manager
City of Cincinnati

Mr. Charles F. Haas is the Risk Manager for the City of Cincinnati. Mr. Haas attended the College of Wooster, Wooster, Ohio where he earned a B.A. in Economics. As Risk Manager for the City, Mr. Haas is responsible for the administration of the City's workers' compensation, employee safety, property and casualty insurance programs and employee benefits. Mr. Haas manages the City's self-insured medical plans and workers' compensation program with a combined annual budget in excess of \$50 million. In addition, he manages the City's property insurance program with insured values exceeding \$1 billion. He has 30 years of experience on the employer side of managing workers' compensation and employee benefits. He led a coalition of public employers in an effort to change state legislation to allow public employers the right to self-insure their workers' compensation risks. He is a Past President of the Ohio Public Risk Managers Association and is a current Board Member of the Cincinnati Employer's Health Care Alliance and the Ohio AFSCME Care Plan, a union Health and Welfare Fund. In addition, Mr. Haas has been an active participant in community efforts to improve the efficiency and quality of healthcare services delivered in the Cincinnati marketplace including the Bridges to Excellence, Diabetes Care Link initiative and other pay-for-performance efforts.
