

2023 Midwest Agricultural Conference

Bob Stewart

Farm Background

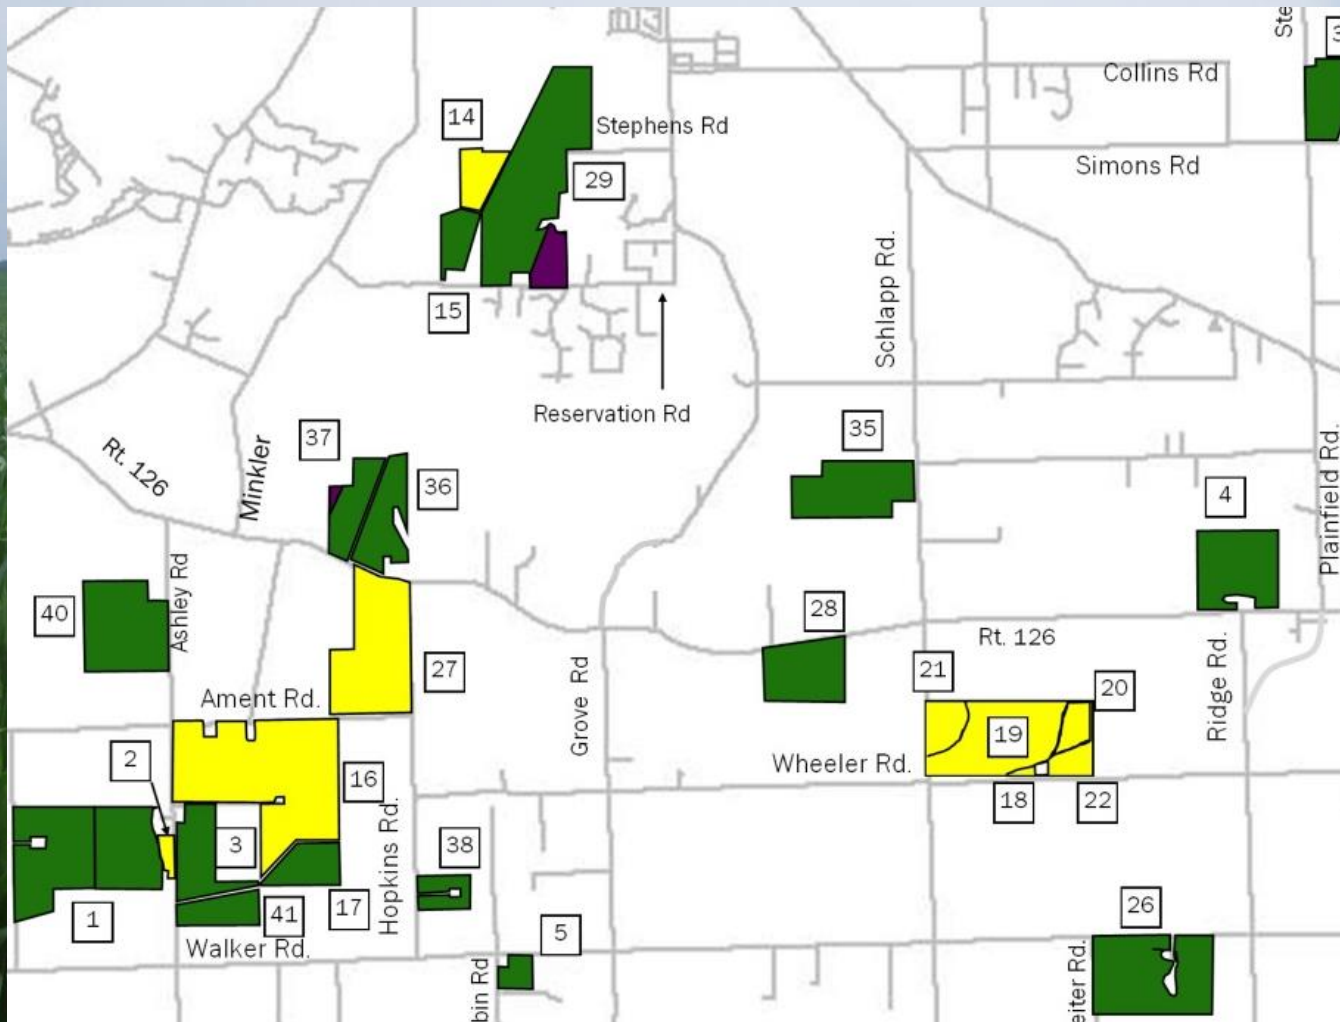

- Family farm
 - People
 - Experience
- Corn, seed corn, and soybeans

Farming Area

Farm Fields

What we look for in farmland?

- Location
- Quality soils
- Drainage
- Size of tracts
- Development potential

Importance of Location

- Distance to grain handling site
- Distance to maintenance facilities
- Trucking and logistics
- Inefficiencies of moving equipment

My Perspective
