Coverage:

Domestic-office assets and liabilities of large banks and consolidated domestic subsidiaries exclude gross amounts due from or due to foreign offices of reporting banks. Relationships with all foreign offices are reported on a net basis either as a net due from foreign offices in "all other assets" or as a net due to foreign offices in "other liabilities and subordinated notes and debentures." Foreign offices include International Banking Facility Accounts, Edge and Agreement corporations, foreign branches and foreign subsidiaries.

Outstanding amounts may reflect transfers of assets and liabilities from or to banks outside the reporting panel or from thrift institutions. Changes are based on data that have been adjusted to remove the effects of acquisitions from or divestitures to banks outside the reporting panel.

Effective November 13, 2004, the coverage of large banks in the Seventh Federal Reserve District consists of 7 banks. Changes from week ago and month ago are based on comparable data. For further information, please call (312) 322-2113.
