Comparison Snooping
A new Web-finance tool helps you learn from a virtual peek inside your neighbors' credit-card bills.
BY DAN REAGAN

Money uncomplicated
Want to see how people like you save and spend their money? Use Bundle to compare yourself by age, location, income and household status.

Share what you find. Learn from each other.
Bundle's money comparison tool is the most extensive on the web. Millions of trends; across the U.S. Oh, and it's free.

Or, check out the latest insights.
