

Scott E. Paradise
Vice President
Magna Marketing & Business Development
The Americas

Scott E. Paradise was appointed Vice President Marketing and Business Development for Magna International in July 2005. He is responsible for working with the Magna groups in supporting their global growth strategies. In addition, he is actively involved with the Magna groups and Senior Management from the OE's in resolution of cross group issues and opportunities. He oversees the Magna Corporate North American marketing group and the Magna web-site.

Paradise was previously Executive Vice President of Sales and Marketing for Intier Automotive, an operating unit of Magna International.

Prior to joining Magna in 1996 as Executive Vice President, Sales and Marketing for seating products, Scott accumulated diverse commercial and production management experience. This includes extensive experience in the heavy truck, agricultural, military, heavy equipment and off highway transportation sectors.

His background includes the roles of Vice President, Sales and Marketing for Decorative Trim and Seating at Douglas & Lomason; in-plant manufacturing and management with Sealed Power heavy stamping operations; estimating and sales at Northern Engineering overhead crane manufacturers.
